

# *Snow Mountain Monastery*

## *Community Work List*

*Saturday, Oct. 5th, 2024*

### **General Work:**

- ◆ Cleanup around water well & fill in the dug trench.
- ◆ Move cut firewood from forested area to wood storage area.
- ◆ Split large firewood pieces with hydrolic tractor splitter.
- ◆ Cleanup and burn uprooted weeds etc. around future Eath Store statue area.
- ◆ Setup outdoor canopies on house deck for lunch.
- ◆ Landscape around and clean the Arhats.
- ◆ Start preparing forest area for planting new evergreens by clearing underbrush and thinning existing small Alder and Cottonwood growth.
- ◆ Uproot Japanese Knotweed along Arhat Path, Scotch Broom (Scot's broom) and burdock, and other kinds of noxious weeds where found as well as cut and remove ivy from tree trunks.
- ◆ Thin southern forest area by cutting tagged trees for future new evergreen trees.
- ◆ Organize garage and shed tools and supplies.
- ◆ Mow and weed trim fields. Trim weeds and grass around buildings and tent poles. Cut growth (suckers) from base of large trees and trim low branches.
- ◆ Fix western goat shed door and re-hang it properly.
- ◆ Clean all windows as well as 2<sup>nd</sup> floor outside windows.
- ◆ Dust, clean, and sweep house interior and Wax main house floor.
- ◆ Apply UV window film to living room and kitchen windows.

*Note: People should bring [work clothes, gloves, work/rain boots, and masks](#). Also some additional tools may be required, like weed trimmers, hand tools, etc.*
