

# *Snow Mountain Monastery*

## *Community Work List*

*Saturday, October 4th, 2025*

*(weather permitting)*

### **General Work:**

- ◆ Setup outdoor canopies on house deck for lunch.
- ◆ Clean house gutters.
- ◆ Gather kindling (small sticks) for starting woodstove fires.
- ◆ Replace belts, filters, oil, and steering gear on rider mower.
- ◆ Plant new trees in western forest.
- ◆ Thin western forest area by cutting tagged trees for future new evergreen trees.
- ◆ Clean all windows as well as 2<sup>nd</sup> floor outside windows.
- ◆ Landscape around and clean the Arhats.
- ◆ Organize garage and shed tools and supplies.
- ◆ Mow and weed trim fields. Trim weeds and grass around buildings and tent poles. Cut growth (suckers) from base of large trees and trim low branches.
- ◆ Fix western goat shed doors and re-hang them properly.
- ◆ Dust, clean, and sweep house interior and Wax main house floor.

*Note: People should bring [work clothes, gloves, work/rain boots, and masks](#). Also some additional tools may be required, like weed trimmers, hand tools, etc.*
