

Snow Mountain Monastery

Community Work List

Saturday, April 4th, 2026

(weather permitting)

General Work:

- ◆ Setup outdoor canopies on house deck for lunch.
- ◆ Clean house gutters.
- ◆ Cut and clear tree branches that have fallen in the winter months.
- ◆ Pull and dig out out noxious weeds like Scotch broom (*Cytisus scoparius*) in fields and paths.
- ◆ Spray grass killer in driveway areas.
- ◆ Clean all windows as well as 2nd floor outside windows.
- ◆ Landscape around and clean the Arhats.
- ◆ Organize garage and shed tools and supplies.
- ◆ Cut growth (suckers) from base of large trees and trim low branches.
- ◆ Thin western forest area by cutting tagged trees for future new evergreen trees.
- ◆ Fix western goat shed doors and re-hang them properly.
- ◆ Dust, clean, and sweep house interior and Wax main house floor.

Note: People should bring [work clothes, gloves, work/rain boots, and masks](#). Also some additional tools may be required, like weed trimmers, hand tools, etc.
